

Important Payment Message for Automatic Deposit Payments

We would like to offer you an opportunity to receive payments by ACH-Direct Deposit instead of checks. However, should you decide not to convert to automatic deposit payment, you may retain the option of receiving your payment by check.

The benefits of direct deposit payment are:

- Prompt settlement - A deposit is made directly to your bank account
- Improved controls - No lost or stolen checks

Please enroll today!

As a valued interest owner, we are asking you to consider enrolling in our electronic payment program.

To enroll, please follow the instructions below:

1. Contact FIS Integrated Payables at (877) 330-4950 to request a registration code
